

GOVERNANCE & BY-LAWS COMMITTEE

Requisites: Need not be a full-time resident in order to serve on this committee

Description: There were concerns addressed at the annual meeting about updating as a whole of the By-Laws and Governance policies. In order to address some of these concerns, the Board would like to have a committee to take contacts from members and address them with the Board. The committee will look at the By-Laws and address concerns with the Board of Directors.
